MUCH CONCERN AT WHITE HOUSE OVER PAYNE TARIFF BILL

Administration Wants It
Rushed, But "Insurgents"
Are Blocking.

COMPROMISE IS
NOW POSSIBILITY

THE PRESIDENT IS APPEALED
TO BY SPEAKER CANNON AND
LEADERS PAYNE AND DALZELL
IN THE HOPE OF BRINGING "IN-
SURGENTS" INTO LINE—HOPE
TO VOTE ON MEASURE ON
APRIL 10.

By Associated Press.
Washington, March 31.—The situa-
tion which the house of representa-
tives finds itself confronted with
in dealing with the Payne bill contin-
ues to give the greatest concern at the
White House. It is said that President
Taft was directly appealed to by
Speaker Cannon and Leaders
Payne and Dalzell yesterday, when
they spent more than an hour and a
half with the chief executive at the
White House.
The tactics of the "insurgents" are
worrying the leaders to even a great-
er degree than they are willing to
admit, and it is to bring these recalcitrants
into line that the president's
aid has been sought. They say they
cannot put the bill through in satis-
factory shape until the "insurgents"
are whipped into line.

COMPROMISE IS TO BE
AGREED TO BY FACTIONS

By Associated Press.
Washington, March 31.—A compro-
mise is being agreed to by the various
factions of the Republican side of the
house, and it is confidently
expected that the measure will be voted on
April 10.
There was a noticeable disposition
on the part of the "standpaters" to
oppose a conference with the
President Taft, yesterday, to accede
to the wishes of those who opposed
any "tag rule," which would prevent
a vote on certain important sched-
ules. The ways and means committee
agreed to submit amendments to the
bill which keeps tea of the free list
strikes out the countervailing duty on
coffee and makes a rate on barley of
twenty-five cents per bushel.
Speaker Cannon, Chairman Payne
and Representative Dalzell, in their
desire to have the bill passed by the
house without delay, are endeavoring
to restrict as far as possible amend-
ments to those which the committee
on ways and means may report an
amendment which will provide a tax
on all dividends from stocks and
bonds.

TO REDUCE WAGES.

Pittsburg, Pa., March 31.—Notice of
a 10 per cent reduction in the wages
of employees of W. P. Snyder & Co.,

trict was announced today. Accord-
ing to an official of the company the
reduction will be general.

MUTINY OF ZOUAVES.

Constantinople, March 31.—There
was a mutiny yesterday among the
Zouaves of the guard quartered near
Yildiz Kiosk. The soldiers objected
to a detachment of Anatolians joining
the battalion and refused to drill.
The mutineers were at once sur-
rounded by several loyal battalions
and surrendered.

President Taft Now Favors Tariff Bureau

By Associated Press.
Washington, March 31.—President
Taft today declared himself in favor
of a tariff bureau to be created at this
session of congress. He believed such
a bureau would be of great assistance
to him in the application of the max-
imum and minimum principle of the
Payne bill in the negotiation of for-
eign trade agreements as well as in
furnishing detailed information to
congress and to the White House on

LAST EMBLEM OF AMERICAN DOMINATION

With the Fluttering Down of
the Flag at Camp Colum-
bia in Cuba Troops Pre-
pare to Leave.

By Associated Press.
Havana, March 31.—The last em-
blem of American domination over
Cuba disappeared at noon today when
the garrison flag at Camp Columbia
fluttered down the pole and was re-
placed a moment later by the lone-
starred banner of the Cuban republic.
The ceremony attending the transfer
of authority took place in the pres-
ence of the American garrison at Camp
Columbia. Lieut. Bayard, of the
Twenty-seventh infantry, advanced to
the flagstaff and hurled down the col-
ors. The troops then presented arms
and the Cuban and American bands
played the "Star Spangled Banner."
A Cuban lieutenant then raised the
Cuban colors. The troops again saluted
and the bands played "Himno
de Bayamo." The Cuban troops then
retired to the roadside and presented
arms while the Americans, numbering
about eight hundred, in heavy march-
ing order, swung past. They sail to-
morrow aboard the transport Sumner
for Newport News.

PROMINENT MAN ARRESTED.

Indianapolis, Ind., March 31.—The
W. D. Owen, who is reported under
arrest at Augusta, Ga., in connection
with a Mexican development com-
pany, is well known in Indiana. He
served a number of terms in congress
from the Logansport district and was
elected secretary of state in 1894. He
was for many years one of the lead-

His arrest caused great surprise here
as he was thought to be in Europe,

one precinct missing, the returns
from yesterday's city Republican pri-

won the nomination of the party for
mayor by about 150 from Harry B.
Zimman. Mayor James C. Dahman's
victory over Edward P. Berryman, his
only opponent for the Democratic
nomination, is overwhelming.

ous lumber mills, fertilizer plants,
brick plants, etc., that have employed

The hundreds of automobile enter-

to several novel speed contests be-
tween an automobile and an aero-

Owing to Threats of Lynch-
ing Negro Governor Is-
sues Proclamation.

PROTECTION WILL
BE GIVEN NEGRO

CHIEF EXECUTIVE ISSUES A PRO-
CLAMATION, IN WHICH HE
SAYS THE MURDERER OF SHER-
IFF LANGSTON WILL BE GIVEN
PROMPT, FAIR AND IMPARTIAL
TRIAL, BUT SHALL NOT BE
LYNCHED.

Special to The Journal.
Tallahassee, March 31.—Owing to
the threats and talk of lynching Mick
Morris, colored, murderer of Sheriff
Langston, when the negro is brought
to this city within a few days, Govern-
or Gilchrist this morning issued the
following proclamation calling upon
the law-abiding citizens to assist the
sheriff in the event of any attempt
being made:

GOVERNOR'S PROCLAMATION.
In the discharge of his duty, Mr.
W. M. Langston, sheriff of Leon coun-
ty, was, on March 19th, killed from
the effect of a gunshot wound. The
negro, Mick Morris, charged with the
murder, was arrested in Georgia, on
March 29th, and is now in jail.

Judge B. H. Palmer, judge of the
Third Judicial district, has been di-
rected to convene a special term of
the circuit court, in and for Leon
county, commencing at 10 o'clock a.
m., Monday, April 5th, for the pur-
pose of trying the said Mick Morris.
There has been some talk of lynch-
ing. All law-abiding citizens will at
once recognize the disgrace, if any
such course were pursued. The said
Mick Morris will be given a prompt,
fair and impartial trial. As a pris-
oner he will be protected. He could
not be lynched without the loss of the
lives of good, though misguided citi-
zens. Should anyone, through mis-
guided zeal, bring discredit upon the
laws of the state, the judiciary and
the chief executive, and disgrace upon
the county of Leon, and this capital
city, they will be punished to the ut-
most. As a preventive of such, I
therefore call upon all law-abiding citi-
zens to assist the sheriff in the ex-
ecution of the law, and in preventing
any unlawful acts.

In testimony whereof, I have here-
unto set my hand and caused the
great seal of the state to be affixed
at Tallahassee, the capital, this, the
thirtieth day of March, A. D. 1909.
ALBERT W. GILCHRIST,
Governor.
By the governor, attest:
H. CLAY CRAWFORD,
Secretary of State.
